

The Platelayers Third Annual Symposium
held May 2nd 2009 at The Loafer's Lake Recreation Centre, Brampton
Organised by Secretary, Mike Watts.

There was plenty to see and watch as the experts demonstrated their skills and displayed their models

'Patrick Brompton', the EM layout of Ron Smith and Michael Hall served as a demonstration for a talk on DCC.

MERG (Model Electronic Railway Group) member Gordon Hopkins flew in from England to tell members about the Group

Alex McQuilkin showed off his Trix Twin layout

There was great interest in the presentations given by members on a wide variety of topics.

There was time to socialise. Tony Ross and Peter Scrimshaw exchange a few pleasantries.
